Coming Together 2020 (CT2020) is open to individuals 14+ with differences of abilities and their caregivers or families.

On Saturday May 2, 2020 we will be hosting CT2020, which will also mark the 25th anniversary of Service Coordination Support (SCS) for People with Developmental Disabilities.

The annual Coming Together conference focuses on topics relevant to young people 14 years of age and older who are experiencing life transitions.

CT2020 will also be an opportunity to look at our hard-earned successes in supporting people with developmental disabilities or children with autism.

This year's conference will include:

- **A Youth Track designed for individuals of all abilities age 14+ with activities such as computer skills and 3D printing objects, dancing and carnival games**
- **Speakers and sessions on topics that families request most such as housing, employment and networking**
- **An Employ Ability networking breakfast as well as various activities celebrating the 25th anniversary of SCS**

Registration will open in early March! We will provide more details at that time.
